

STAYPINEAPPLE

PUP GUIDELINES

At Staypineapple we love ALL dogs!

And we especially love that you have chosen to Staypineapple as you travel with your favorite companion! We want all our guests at Staypineapple to be safe and comfortable so we do have a few guidelines for our four legged guests.

BE SMART (you know what is best for your dog)

BE KIND (be considerate of others)

As a guest of the hotel we ask dog owners to follow these guidelines:

You believe your dog to be gentle, well behaved, and friendly around people and other dogs.

If you and Fido go exploring together please hang the "My Dog Is Out Exploring (please clean my room)" sign on the door. We will be in to tidy up.

If you go exploring without your best friend please place the "My Owner Is Out Exploring (please go away)" sign on the door. This informs Housekeeping to not disturb Fido's nap.

Upon your return use the Everything Button to contact the Front Desk to arrange service during typical housekeeping hours. (Just so you know, we won't clean the room with Fido inside)

If Fido voices his displeasure with you being out and about without him and this causes a disturbance to any other guests, you may incur additional charges (i.e. barking, howling, watching tv too loudly).

It's hard to believe but not everyone loves dog kisses so please keep Fido on a leash at all times when in public areas.

Not all dogs like all people. If your dog catches a weird vibe from anyone and expresses bad behavior you may be asked to remove your dog from the hotel.

Poop and scoop laws apply, so please be sure to clean up after your dog. Supplies are available at the Front Desk for your convenience.

If by chance your dog has an accident within the hotel please let us know. (There will be no additional charge for accidents. Poop happens.)

Please understand there will be a nightly pet fee.

**Thank you,
Staypineapple**
